Blake helped us sell our condo in San Diego and then find our forever home in Hemet ! Blake patiently helped us find the perfect layout, with enough room for everyone and then win the bid during an unprecedented competitive market. He even haggled with my lender to get a better interest rate! What can I say - I would never buy a home without Blake's saged advice and hand holding. He is always excited to see what changes we have made and provides us with an update of value every year! Blake made us very proud homeowners - living the dream!!

Blake has worked with me for over 5 years with my indecision to sell my home or rent it. He provided current value, options and strategies and even helped me deal with the County Zoning for development options. Finally after much patience I decided to sell. It was so smooth and quick. I could not believe the amount of work with the documents and disclosures, title and escrow. He even helped me communicate with my attorney about my trust. I would recommend Blake to anyone! He has become a good friend.

Blake was extremely knowledgeable and helpful to us as first time home buyers? He was very prompt in answering all of our questions and showing us properties. He helped us get our offer accepted in a multiple offer situation and negotiated over 15k in repair credits. He also helped us with renovation options after the sale! We would highly recommend Blake to anyone!

Blake helped me purchase my dream condo downtown. He coordinated all aspects of the sale including inspection's and walkthroughs remotely with my son and I as we were both living out of the state. He even assisted me with getting my power of attorney set up.

After the sale he went the extra mile in getting the condo cleaned as well as met the movers to oversee the process. He is the best. Highly recommended.
